

Agenda

What to expect

10:30 – 10:45 am	Registration opens	Check in, grab a quick refreshment and join us in the theatre before we kick-off our event
10:45 – 10:55 am	Welcome	Introduction from DXC Eclipse and Microsoft update
10:55 – 11:25 am	Customer experience panel	<i>My journey to Dynamics 365</i> – Listen to DXC Eclipse customers who have recently implemented Dynamics 365 and hear their recommendations and experiences
11:25 am – 12:15 pm	Interactive workshop	<i>Top five business disruptions</i> – Discuss what the main challenges you and your business are facing today in an interactive workshop environment
12:15 – 1:00 pm	Lunch break	<i>Keep networking and learning while enjoying a buffet lunch</i>
1:00 – 3:00 pm	Breakout sessions	Choose from our two deep dive breakout sessions. These sessions are run concurrently:

Enterprise sized businesses – take a journey with Dynamics 365 Enterprise Edition

Breakout session 1

- One Version: Why you never need to upgrade again
 - Automated testing in Dynamics 365 for Finance & Operations
 - How to plan your upgrade to Dynamics 365
 - Business events and Power Platform
- What's new in Customer Engagement
- Take a journey with advanced analytics.

Small-medium sized businesses – transform your business with Dynamics 365 Business Central

Breakout session 2

- New releases and roadmap for Dynamics 365 Business Central
- Key extensions including AP automation, EDI, warehouse scanning and advanced inventory
- Latest customer stories and successful implementations
- Take a journey with advanced analytics.
